

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Robert Madeja
DOCKET NO.: 06-20361.001-R-1
PARCEL NO.: 23-11-405-032-0000

The parties of record before the Property Tax Appeal Board are Robert Madeja, the appellant, by attorney Rusty A. Payton of the Law Offices of Rusty A. Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property is a 33-year old, one-story style dwelling of frame construction containing 749 square feet of living area with a full, unfinished basement.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted four comparable properties described as one-story or one and one-half story frame dwellings that are between 50 and 64 years old for consideration. On the appellant's map, two of the comparables are located one block from the subject property, and two are located one mile away. None of the comparables has a basement. The comparables contain from 820 to 864 square feet of living area and have improvement assessments ranging from \$7.45 to \$9.49 per square foot. The subject's improvement assessment is \$13.43 per square foot. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented three comparable properties consisting of one-story frame dwellings that are either 49 or 50 years old. Two of the comparables are located either on the same block or one block from the subject property, while the other one is located over three-quarter mile away. Two of the comparables have crawl-space foundations, and one has a full, unfinished basement. The dwellings contain from 693 to 800 square feet of living area and have improvement assessments ranging from \$13.42

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	5,771
IMPR.:	\$	10,059
TOTAL:	\$	15,830

Subject only to the State multiplier as applicable.

PTAB/BRW/Apr.08/06-20361

to \$15.03 per square foot. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not overcome this burden.

The Board finds that none of the comparables was truly similar to the subject property in age, location, and physical characteristics to provide clear and convincing evidence that the property was inequitably assessed. The appellant's comparables differed in age and foundation, and two of the appellant's comparables also differed in location. Two of the board of review's comparables differed in age and foundation, and the third differed in age and location. The Board notes that all comparables had improvement assessments ranging from \$7.45 to \$15.03 per square foot. The subject's improvement assessment of \$13.43 per square foot of living area falls within this range. After considering adjustments and differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is supported, and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
